Dear HQ FOIA Staff:

Pursuant to the Freedom of Information Act ("FOIA"), as amended, 5 U.S.C. Section 552, and the Environmental Protection Agency ("EPA" or "Agency") rules issued thereunder, 40 C.F.R. Part 2, I request the following documents, all of which are identified by EPA Master Record Identification ("MRID") Numbers as follows. If there is a discrepancy between the description in the "Citation" column and the MRID listed, the MRID governs. This request extends to both the transmittal documents and the studies identified by all MRIDs in the "MRID" column (the "Citation" listed refers to the study or studies). However, please do not delay processing this request to locate a transmittal that cannot readily be located with the study. Please send the studies as soon as they are located and inform me of any associated transmittals that cannot readily be located.

MRID	CITATION	SUBMITTER
00160477	Enloe, P.; Salamon, C.; Becker, S. (1986) Two-generation Reproduction Study Via Inhalation in Albino Rats Using Methyl Bromide: Study 450-1525. Unpublished study prepared by American Biogenics Corp. 1554 p.	Methyl Bromide Industry Panel
43885201	Newton, P. (1996) A Chronic (12-Month) Toxicity Study of Methyl Bromide Fumigated Feed in the Dog: Amended Final Report: Lab Project Number: 94-3186: N-15 94-3186. Unpublished study prepared by Pharmaco LSR. 596 p.	Methyl Bromide Industry Panel

I am making this request on behalf of the Methyl Bromide Industry Panel ("MBIP"). If any of the documents requested above are subject to a claim of confidentiality by MBIP, I ask that these be produced by a means other than FOIAOnline.gov, so as to maintain the confidentiality of those documents.

If you determine that portions of the requested information are exempt from disclosure, please redact the allegedly exempt material, inform me of the basis for the claimed exemption, and furnish me with copies of those portions of the document that you determine not to be exempt.

My consent to such deletion at this time is designed to facilitate your prompt response and in no way waives my right to appeal any determination that you may make regarding the applicability of any FOIA exemptions.

If you determine that any complete documents are exempt from disclosure, please provide me with an index to them and explain the basis for that conclusion.

I agree to pay reasonable search and reproduction costs. If these costs exceed \$100.00, however, I request that you notify me before reproducing the documents. I am willing to receive copies of this information in whatever medium it is most convenient for EPA to send – electronic or print. Pursuant to FOIA, I understand that EPA will respond with an initial determination regarding this request within 20 working days. If all responsive records cannot be located before then, I request that responsive records be provided as they are identified on a rolling basis.
